

Automatic Hotel

BAND STORY

"Automatic Hotel describes their sound as "emotively charged melodic rock with a punk edge." Their self-released 16 song debut, Firefly, fused punk and pop with 80s style hard rock to create an upbeat, energetic sound that was well received by fans of many different musical genres. The band's eagerly anticipated new album is available now at sdsrecords.com and everywhere albums are sold online, in addition to a few retail outlets. "
