

Dave Sasscer

BAND STORY

"

Dave is a New York City based singer/songwriter. His work is characterized by island-tinged rock rhythms underpinning consistently mesmerizing pop/rock songs. He plays many of the instruments himself in the studio but he is joined onstage by a roving group of musicians that go by the name the "Mojo Conga Jam". Regular members of the "MCJ" include David Patterson on guitar (alumnus of Atlanta Singer/songwriter Shaun Mullins and the Indigo Girls), David Gomez on percussion (internationally acclaimed Latin Jazz percussionist and Hiram Bullock/Omar Hakim collaborator), and various other luminaries of the NYC music scene. Although Dave incorporates numerous rhythms into his writing, including reggae, rock and salsa, to name a few, the end results are sometimes playful, sometimes soulful, sometimes down-right rockin' , but always evocative tunes that the NYC crowd has begun to call "rhythmic rock". Dave currently lives in NYC and plays regularly in downtown clubs and other venues up and down the East Coast of the US.
