

# Deyansa

## BAND STORY

"Find Deyansa, embrace him, allow the Jamaican culture to wash over and cleanse your soul. Listen to the almighty sermon that is "Jah Werks," give praise and let love reign, realize what a difference a day makes It's time for the nations/people of the world to be reborn, to find Jah. For "when we find Jah, Life won't be the same." "You got to give thanks for the life you live, Care for each other, give what you can give. Never for a moment you think negative, be aware of life and be constructive. Blessed are these days that nature fulfills, It's such a wonderful place here for us to live."
