

## Enoch 7th Prophet

### BAND STORY

"Yoga groupies who know what Kundalini is--the human spine that is believed to be the gateway to higher consciousness-- may find a certain affinity with the raps of 7th Prophet. Laying down lyrics that are filled with references to his Rastafarian religion, black pride, political revolutionaries and the plights of oppressed people internationally, 7th Prophet likes to make the distinction between being a rapper and embodying hip hop. Using KRS-One's words, he believes, Rap is something we do; Hip Hop is something we live. What sets us apart from the average Hip hop group is...that fact that; Enoch is the only MALE EMCEE in the DC/MD/VA area with a FEMALE DEEJAY which is rare in this business. Enoch and DJ Earth 1NE want to put their best foot forward in a righteous effort in killing the negative, misogyny and violence against women in HipHop. Enoch and DJ Earth 1NE stories are different but as a group our goals and values are the same. Since the start of her career, DJ Earth 1ne has fluxed from being both Promoter and Deejay, and has received much respect in the DC Hip Hop community for being both. While she continues to promote for major urban companies, her claim to fame is her skill on the 1Ã¢â¬â and 2Ã¢â¬â. She is the first female Deejay to be inducted by KRS-ONE into the Temple of Hip Hop."
