BAND STORY

"Shai Poent- LyricistVanessa Stone-Vocalist" The Basement Chronicles"Centered on head bopping beats, Serel' s new album " The Basement Chronicles" delivers an artful ambition and lyrics that you' ll be singing long after you hear the album. Listening to " The Basement Chronicles" is similar to solving a jigsaw puzzle. Ideas, metaphors, and emotions were all scattered throughout the album. Nonetheless, it is for this reason that Serel' s album is captivating.Serel maintains a balance that essentially creates a smooth flow throughout the exchanges of the songstress and lyricist. With his raw, ragged, and raspy voice, Shai PoeNt offsets Vanessa' s glossy and bright tone. The duo creates a gorgeous cameo from their " Destructive Love" to " Life on the Run" by producing a story-telling format. " The Basement Chronicles" truly delivers."The Group"Lyricist, songstress and songwriters Serel are a duo who has been shaking the music world with their defiance of any easy pigeonhole. By turns, the duo collaborates on a blend of artistic exploration of social themes relevant to the youth. Spitting and singing witty songs about modern life, the duo reaches deep for a soulful expression of values in a troubled world; topping it all with beats nice as all skillfully blended into a seamless flow, as one fan said It's easy to listen to and original."
