## BAND STORY

"We, The Glass Poets are 3 everyday people with the same passion. To write ORIGINAL lyrics and ORIGINAL compositions. To date they have 2 independently produced/released cd's: Spirits Of Adventure and Stories Of Today & Gone Yesterdays. A 3rd via TMG titled: Life Is Not For Granted. They are in the process of a collaboration cd with Internal Dealin (Great Briton) Chris Guy and Kerry Harrison - plus some others from Canada and USA. WE DO NOT CONSIDER ourselves as ENTERTAINERS but instead " STORYTELLERS". Our goal is to sell our material to the country/country rock/inspirational country/middle of the road/ artists so as our material may be heard throughout the world.
