

The Amaze

BAND STORY

"Born in Staten Island, NY on the cusp of the 80's, Amaze was moved to the ghetto streets of Petersburg, VA. Growing up in an environment of low income families, corrupt city officials, and poor public schools, Amaze is determined to rise above the ashes and put his city on the map. From the home of celebrities Moses Malone, Blair Underwood, and the state that brought you the Neptunes, Timbaland, Missy, Mike Vick and Allen Iverson, Amaze and his network of artist and producers are here to bring respect and prominence back to the home for hustlers - VA!!!"
