

# PROPHECY F SPIRITUAL SOLDIERZS

## BAND STORY

"A little bit about myself Im orginally from Milwaukee, WI and I live now in Illinois. Recording and writing music is something I also enjoyed doing. I grew a strong passion for hip-hop music in my earlier years. The basic about my music is trying to Win Souls for my Lord and Saviour Jesus Christ. With my Music Ministry the message Im sending out to let God's people know through Christ anything is possible if you believe and live your life for him. "
